**Petromac** Project LLC  
(your energy partner)

**SINCE 2010**

# About Us

Global Petromac Project LLC is an ADNOC prequalified, ICV & ISO certified company specialized in Oil field supplies and dedicated to providing excellent Electromechanical services.

Global Petromac Project LLC, a dynamic force in the oil and gas industry, specializing in cutting-edge electromechanical projects and bespoke material sourcing tailored to meet our client's exacting specifications. With a commitment to excellence and a track record of delivering high-quality solutions, we stand at the forefront of innovation in this ever-evolving sector.

Our team of dedicated professionals combines expertise in electromechanical engineering with a deep understanding of the intricacies of the oil and gas field. This synergy allows us to execute projects with precision, ensuring efficiency, reliability, and compliance with industry standards.

At Global Petromac Project LLC, we recognize that every project is unique, and we take pride in our ability to source and provide materials precisely aligned with our clients' requirements. This tailored approach not only maximizes operational efficiency but also minimizes costs, underscoring our dedication to client satisfaction.

As we continue to push boundaries and pioneer advancements in the oil and gas industry, Global Petromac Project LLC remains committed to sustainable practices, safety, and innovation. We look forward to the opportunity to collaborate on projects that define the future of this vital industry.

## MISSION

Our mission is to be the leading supplies and service provider to the oil & gas industry. Tailor-made to meet client's requirement and expectations, our objective is to maintain the highest quality services to our clients, most of who function in the most obscure and harsh weather conditions.

## VISION

“QUALITY IN EVERY ASPECTS” To grow into a world class organization providing total solutions to organizations implementing projects, by continuously reinventing ourselves. We are dedicated to reducing energy wastage and carbon footprint thereby enhancing value to stakeholders, employees, clients, society and the humanity at large.

## Industries We Serve

**Marine**

**Power & Energy**

**Telecommunication**

**Aviation**

**Defence**

**Oil & Gas**

**Manufacturing**

**Power Transmission**

**Water Treatment**

# Products

## | CONSTRUCTION

- Building Materials
- PVC,UPVC,PPR,HDPE Pipes & Fittings
- Paints & Consumables
- Cutting & Grinding Tools
- Packing Materials
- Power Tools & Hand Tools
- Structural Steel
- Ladders & Scaffolding

## | HVAC

- Air Conditioners
- Furnaces
- Heat Pumps & Geothermal Pumps
- Ductless System
- Evaporator Coils
- Thermostats
- Fan Coils
- Boilers
- Compressors & Gases
- Copper Pipes & Fittings
- Ac Gas

## | PIPES, FITTINGS, FLANGES & VALVES

- Pipes & Pipe Fittings: Seamless & Welded Pipes from ½” to 48” with different wall thickness.
- Flanges: Size from ½” to 48” and Pressure Rating upto ASME CLS 2500# & API 15000#.
- Cladded: Pipes, Flanges & Fittings.
- Valves – Gate Valves, Globe Valve, Ball Valve, Butterfly Valves etc. Size from ½” to 36” and Pressure Rating from CLS 150# upto CLS 2500#.
- Structural Steels & Hollow Sections – With International Grades & Standards.
- Sch Pipes

## | SAFETY

- Safety Helmets, Shoes & Goggles
- PPE Kits & Coveralls
- Traffic Cones & Road Barriers
- Lifting Equipments & Accessories
- Testing Equipments

## | ELECTRICAL

- Electrical Cables & Consumables
- Instrumentation/Data Cables & Consumables
- Lights & Fittings
- Switches & Sockets
- Industrial Sockets & Plugs
- Industrial & Exhaust Fans

## | MARINE

- Thrusters & Accessories
- Fenders, Buoys & Accessories
- Marine Safety Items
- Anchor Windlasses, Capstans and Accessories

## | WELDING

- Welding Consumables
- Welding Machines
- Welding Cables
- Electrodes & Holders
- Cutting, Heating & Welding Torches
- Weldings Hoses
- Nozzles & Cups
- Flash Back Arrestors

# Services

## INSTRUMENTATION

- PLC/RTU System
- SCADA/HMI System
- Field Instrument
- Transmitters, Switches & Gauges For Temperature, Pressure, Flow, And Level Application.
- Control Valves, On/Off Valves, Breather Valves, Safety Valves.
- Testing, Calibration, And Loop Checking Of All kinds Of Field Instruments.
- Commissioning Assistance Of Control System Such As PLC, SCADA, And DCS.
- Control System: Engineering, Supply, Installation & Commissioning.

## MECHANICAL ,CIVIL & TELECOMMUNICATION WORKS

- HVAC System
- Drainage System
- Recycling System
- Sprinkler System
- Dry Powder System
- Excavation
- Wireless System
- Installations Of Fire Fighting Systems
- Installations Of Fire Alarm System
- Installation Of Emergency Lighting System
- Welding And Fabrication Works
- Central Battery & UPS System
- Plumbing System
- Concreting
- Irrigation System
- FM 200 Fire Fighting System,
- CCTV System
- Fiber Optic Solution

## ELECTRICAL & POWER SYSTEM

- Earthing Works
- Bus Duct
- Power Generators
- Power Distribution And Transmission
- Explosion Proof Electrical Panel And Junction Boxes
- LV & MV Switchgear, Motor Control & Relay Panel.
- Lightning Protection
- Transformers

## TECHNICAL MANPOWER SUPPORT

## PANEL INTEGRATION WORKS

- Marshalling Cabinet
- Network Cabinet
- System Cabinet
- Training Cabinet
- RTU/PLC Cabinet
- Power Distribution Panel
- Simulator Panel (Jig Panel)
- Control System Panel
- Electrical Panel(MCC,SMDB,PDB etc.)
- IP Rated Explosion Proof Enclosure

## ROAD MARKING AND PAINTING WORKS

- Traffic Lane Markings
- Crosswalks And Pedestrian Markings
- Parking Lot Markings
- Yellow, White, Red Lines Marking
- Directional Arrows
- Walkway Marking
- Stop Lines And Yield Lines
- Special Symbols And Pavement Markings
- Reflective Markings
- Thermoplastic And Paint Applications
